RESPONSE TO RESTRICTION REQUIREMENT

Technology Center 2100

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the restriction requirement set forth in the Office Action mailed March 22, 2004 (Paper No. 9) (hereinafter "Restriction"), the Applicants hereby provisionally elect, with TRAVERSE, claims 1-12 and 23-28, referred to as Group 1, for continued examination.

The Examiner has required restriction between claims 1 – 12 and 23 – 28 (collectively Group 1) and claims 21 and 22 (collectively Group 2). In support of this restriction, the Examiner has categorized the embodiments described by the claims of Group 1 as distinct and separate subcombinations from the embodiments described by the claims of Group 2. Without conceding that the Examiner's classification of the pending claims is accurate, the Applicants respectfully assert that even if the classification is assumed to be accurate, the restriction requirement is improper.

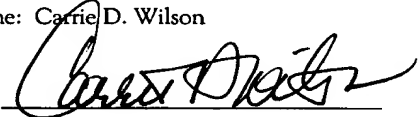

37 CFR § 1.142(a) does permit the Commissioner to require restriction if two or more independent and distinct inventions are claimed in a single application. However, the Applicants respectfully remind the Examiner that M.P.E.P. § 803 requires that "if the search and examination of an entire application can be made without serious burden, the Examiner must examine it on the merits, even though it includes claims to independent or distinct inventions." The Restriction does not describe any serious burden that currently impedes an examination of this application as a whole. Further, because both Group 1 and Group 2 comprise claims that have already been examined, any burden that might have existed has already been borne. Because no serious burden exists, the Applicants respectfully ask the Examiner to withdraw the restriction requirement and to continue the examination of the claims in both Group 1 and Group 2.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 08-2025, under Order No. 10003826-1 from which the undersigned is authorized to draw.

I hereby certify that this correspondence is being deposited with the U.S. Postal Service as Express Mail, Airbill No. EV375343444US, in an envelope addressed to: Commissioner for Patents, PO Box 1450, Alexandria, VA 22313-1450, on the date shown below.
